

Episcopal Farmworker Ministry

Each fall, EFWM hosts a Farmworker Festival to celebrate the contributions of farmworkers and their families to our community and our country. This event provides farmworkers with information, and a space to celebrate culture with music, traditional cuisine, and sports.

We depend on the support of the Episcopal Churches in North Carolina to have a successful Farmworker Festival.

Here are some ways in which YOU can get involved:

1. Community sponsors are one of the primary sources of funding for the Farmworker Festival and will help ensure its success. We need all hands on deck to make sure that we get all the funding that is necessary to cover the festival's expenses.

You can help us by:

- Talking to business owners about the work of the ministry and inviting them to become sponsors.
- If you are a business owner, become a sponsor!

2. We are organizing two soccer-game fundraisers between our supporters and members of the farmworker and immigrant community.

You can help us by:

- recruiting players. We need a team of 14 men and a team of 14 women to make this work!
- sponsoring a player. Players will need to fundraise \$250 before the game!

3. Volunteer! Your involvement with the Farmworker Festival is an opportunity for you to learn more about EFWM's work; come experience the vibrant festival atmosphere, and join a host of other volunteers, non-profits, and members of the local immigrant community in celebrating farmworkers and their labor!

Here is what you can do:

- Organize a small group of friends, relatives, or people from your congregation to volunteer at the festival.
- Sign up to become a volunteer!

4. Spread the word!

Help us spread the word by telling your friends and family about EFWM and about the Farmworker Festival!

- Share this flyer with everyone that you know!
- Make a social media post connecting your social media friends with our website!

Thank you for your support!
